This listing of claims will replace all prior versions and listings of claims in the application:

**LISTING OF CLAIMS**

1. (Currently Amended) A dried consumable composition which comprises in admixture:

(a) a dried juice from an edible berry with acids and sugars removed by an adsorption resin retaining anthocyanins and phenolics with removal of the acids and sugars and then eliminating the reagents and phenolics from the adsorption resin; and

(b) a food grade carrier which is a pre-dried berry pulp.

2. (Currently Amended) A dried consumable composition which comprises in admixture:

(a) a juice from an edible berry with acids and sugars removed by an adsorption resin retaining anthocyanins and phenolics with removal of the acids and sugars and then eliminating the reagents and phenolics from the adsorption resin; and
